S i r,

With reference to Government Order No. R. 12739-40/ /L.B. 63-19-4 dated the 6th May 1920 sanctioning, as a tentative measure for one year from 1st July 1920 the levy of fees on sheep, goat and cattle that are brought for sale at the weekly Sante in Gownapalli village in Srinivasapur Taluk, and calling for a report on the desirability or otherwise of making the levy of fees permanent after the expiry of the above period of one year, I have the honor to state that the sale of the right of collecting fees for the current year was sold by public auction in June 1920, which realised a decent sum of Rs. 1550/-. It is reported that the full amount of the purchase money was not recovered owing to the death of the contract-or and steps are being taken to collect the balance yet remaining uncollected, by coercive process. Consequently no substantial im-provements as originally proposed in the way of improving roads, the sanitation of the village, etc., are reported to have been effected.

An appreciably large amount is derived from the fees levied which will add to the resources of the local bodies and enable ma-terial improvements being effected, as originally proposed, to the

"Subject".

Requesting Government sanc-
-tion for making permanent
the levy of fees on cattle,
etc., at Gownapalli Sante,
Srinivasapur Taluk,etc.

Shandy and the village and the roads passing through the village and leading to Sante, and the Taluk Board of Sreenivasapurkhave accordingly recommended that the levy of fees tentatively sanc-tioned for one year be made permanent . The Taluk Board have also recommended on the complaint of the contractor for permission being given to the contractor to collect the said fees on two days , i e., on the Sante day and the following day instead of on one day as originally sanctioned by Government, in order that cattle owners who have been trying to evade payment of fees to the contractor by keeping their cattle outside the limits of the Sante on the market day and selling their cattle on the following day after the close of the Sante, may be subjected to pay the required fees so as to avoid loss to the contractor .

The subject was placed at the last meeting of the District Board held on the 7th instant who also concur with the views of the Taluk Board.

I therefore request that you will be so good as to obtain early sanction of Government to the recommendation of the two Boards(District and Taluk Boards) for making the levy of fees at the Sante in question permanent from 1st. July next.

As the contract for collecting fees has to commence from 1st. July next and there is hardly any time for advertisement of the sale in the Mysore Gazette and for the disposal of the same, I have in anticipation of Government sanction issued a sale noti-fication, and written to the Compiler , Mysore Gazette, to advertise the sale in the Gazette as re-quired by the Government Order under advertance , to avoid delay, and request that my action may kindly be approved.

Copies of the resolutions of the Taluk and District Boards on the subject are submitted enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

C.S. Gopalarao
For President,
Kolar District Board.
